01 WHO WE ARE

Impulse Media — a 21st-century advertising agency: digital, modern, innovative. We operate in Russia and Armenia, creating merchandise, business gift sets, partner and employee gifts, and custom packaging. Our key product is client service: we manage 99% of the process from idea to delivery. We work exclusively with corporate clients, understanding the needs of HR, marketing, procurement, and event teams.

“Our strength lies in understanding the client’s business goals as well as they do themselves.”
